## Creative talents show brilliance at JMA International Jewelry Design Competition

Some of the most promising designers in the region's jewellery industry and their manufacturing partners took top honours in the 2015 edition of the JMA International Jewelry Design Competition. Organised by the Hong Kong Jewelry Manufacturers' Association (HKJMA) and *Hong Kong Jewelry Express (HKJE)*, the competition gives aspiring designers and established jewellery manufacturers the unique opportunity to showcase their design concepts

and turn those ideas into reality and further raise their profile on the global market.

Revolving around the theme "Heartfelt Moment 15," the competition was divided into three categories namely Open Group I, Open Group II and Computer-Aided Design. For more details about the contest, log on to [www.jmadesigncompetition.org](http://www.jmadesigncompetition.org). Here are some of the outstanding entries in the 2015 edition of the JMA International Jewelry Design Competition.
