Some of Hong Kong's most creative minds excelled at the JMA International Jewelry Design Competition, a platform from which young and rising designers can showcase their collections and work in collaboration with some of the leading jewellery manufacturers in Greater China.

Organised by the Hong Kong Jewelry Manufacturers' Association, the contest, previously known as the Buyers' Favorite Jewelry Design Competition, centred on the themes "Celebration in Joy," "Reunions" and "Delight." The winning pieces were presented at the 21st edition of the Hong Kong International Jewelry Manufacturers' Show, which was held from November 28 to December 1 at the Hong Kong Convention & Exhibition Centre last year.

Here are the winning entries to the JMA International Jewelry Design Competition. **JNA**
